Air Canada, the largest Canadian airline and Canada's flag carrier, is offering discounted fares this Black Friday for Indian customers travelling to Canada, the US, Mexico and the Caribbean.

Whether you're planning to reunite with family in Toronto, explore New York's famous Times Square or unwind on one of Mexico's sandy shores, Air Canada's Black Friday Sale provides something for everyone.

From 09:00 on 27 November to 11:59 on 3 December, customers will receive an up to INR 5,000 discount when booking Economy seats.

Customers travelling from India can benefit from reduced rates on return flights to Canada, the US, Mexico and the Caribbean for travel between 12 January 2026 and 31 May 2026.

Air Canada offers smooth connections to a wide range of cities across Canada, as well as convenient options to connect via Canadian cities to destinations in the US, Mexico and the Caribbean.

Those flying through Air Canada's hubs to the U.S. also benefit from U.S. customs preclearance, allowing travellers to pre-clear all U.S. immigration and customs formalities pre-departure, and therefore arrive in the U.S. as a domestic passenger.

Alternatively, travellers looking for a more tropical summer getaway can also book discounted flights to Cancun, Mexico and Juan Santamaría, Costa Rica.

Other North American destinations included in this sale include Calgary, Edmonton, Halifax and Ottawa.

This offer applies to flights operated by Air Canada and Air Canada Rouge, and covers services carried out under the Air Canada Express banner.

Each booking can include up to nine passengers maximum. Optional incidental services are excluded from the price and will be charged separately when selected.

Any discount will not be applied to surcharges (which are included in the air transportation charges), taxes, fees and charges. Surcharges, taxes, fees and charges apply in full to all bookings and must be paid in full by all travelers, including children and infants occupying a seat.

Tickets bought as part of Air Canada's Black Friday sale cannot be combined with any other offer, discount or promotion.
