**Akums Drugs & Pharmaceuticals Ltd.**, India's Largest Contract Development and Manufacturing Organizations (CDMO), announced its financial results for the third quarter of FY26.

Q3 FY 26 saw strong performance across its key business segments. CDMO saw a revenue growth of over 16% spurred on by double digit increase in volumes. The international branded formulation segment more than doubled sequentially led by demand recovery across its key markets.

Adj EBITDA increased 21% YoY to Rs 147 cr as better capacity utilization along with a steady ramp up in the newer facilities led to margin improvement. Tighter control over overheads and portfolio rationalization helped mitigate losses in the API and Trade generics segment as well.

Our march towards becoming a global manufacturing company continued unabated with the Company receiving European Union Good Manufacturing Practice (EU GMP) certification for two of its manufacturing facilities. The certification includes the renewal of EU GMP approval for our Oral Solids' plant and the grant of EU GMP certification for our Oral Liquids Plant. Akums also received its first approval from the UK MHRA for
