Amazon.in today announced the conclusion of its first-ever Amazon Gadget Awards 2024, recognizing the top gadgets and

accessories available on the online marketplace. The awards were determined through an online survey where almost 15,000 participants voted for their favorite choices and recommended products across various categories, including laptops, headphones, tablets, cameras, smartwatches, speakers, and more. These awards celebrated and reflected the preferences of the many customers who trust Amazon.in for their consumer electronics needs.

Amazon India Gadget Awards 2024

“At Amazon, we strive to provide unparalleled value and convenience. With a vast selection of tech products,

*affordability options, and the ease of shopping anytime and anywhere, we ensure our customers have a seamless shopping experience. Through these awards, we have enabled them to vote for their favourite tech products across various categories and celebrate excellence in consumer technology. This initiative underscores our commitment to offering a diverse selection of high-quality products and adapting to the dynamic preferences of technology enthusiasts. As we unveil the winners of these awards, we are excited to celebrate the innovations that have resonated with our customers. We congratulate our partner brands and products chosen as the best in their respective categories,"***Saurabh Srivastava, Vice-President, Categories, Amazon India.**
