Crafted with Care

The giant block was then carefully weighed and certified by GUINNESS WORLD RECORDS™ officials. Crafted using 100% pure milk, the giant paneer block met the highest hygiene standards, ensuring it satisfied strict benchmarks for taste, texture, and freshness.

From breaking world records to serving the community, Ananda Dairy proves that purity is not just a promise but a way of life. This landmark achievement marks another milestone in Ananda's ongoing journey to set new benchmarks in the dairy industry.

"At Ananda, we have always been passionate about pushing the boundaries of dairy excellence. This record is a testament not just to our capabilities but to our dedication to purity, and we are thrilled to share this moment of pride with the world," said **Dr. RadheyShyam Dixit, Chairman & Founder of Ananda Dairy.**

A Gesture of Kindness

However, Ananda's commitment to making a difference extends far beyond this record-breaking achievement. In an effort to give back, the entire 205.4kg slab of paneer was distributed to NGOs and community kitchens across the country, ensuring that this historic moment also contributed to those in need.
