

Asia-Pacific Textile and Apparel Supply Chain Expo & Summit 2025 (APTEXPO 2025)

Category: Business

written by News Mall | November 7, 2025

The 2nd edition of the Asia-Pacific Textile and Apparel Supply Chain Expo & Summit (APTEXPO 2025) returns to Singapore from 19–21 November 2025, reaffirming its role as the region's premier platform for the textile and apparel industry. Bringing together global leaders, decision-makers, and innovators, the event will drive dialogue, partnerships, and solutions to build stronger, more sustainable, and future-ready supply chains.

Jointly organised by MP Singapore Pte Ltd and The Sub-Council of Textile Industry, CCPIT (CCPIT TEX), and sponsored by the ASEAN Federation of Textile Industries (AFTEX) and China National Textile and Apparel Council (CNTAC), the event is also hosted by the Singapore Fashion Council (SFC).

Themed **“Re-engineering towards a Resilient, Adaptive and Sustainable Supply Chain”**, APTEXPO 2025 reflects the industry's urgent need to embrace digitalisation, fair trade, circular economy models, and sustainable innovation. The event will serve as a key platform for stakeholders to share strategies, forge partnerships, and shape the next chapter of global textile and apparel manufacturing.

APTEXPO 2025 enjoys strong support from key associations across ASEAN, including

- Textile, Apparel, Footwear & Travel Goods Association in

Cambodia (TAFTAC)

- Indonesian Textile Association (API)
- Association of the Lao Garment Industry (ALGI)
- Malaysian Textile Manufacturers Association (MTMA)
- Myanmar Garment Manufacturers Association (MGMA)
- Confederation of Wearable Exporters of the Philippines (CONWEP)
- National Federation of Thai Textile Industries (NFTTI)
- Vietnam Textile and Apparel Association (VITAS)

It will address the pressing challenges and emerging opportunities in the global supply chain, with a particular focus on industrial upgrading and the evolving international trade landscape. Key discussions will explore how decentralised manufacturing models can enhance supply chain security, improve efficiency, and build greater resilience against future disruptions.

"Singapore, as a gateway to Asia Pacific, is the perfect host for the 2nd edition of APTEXPO. We look forward to engaging stakeholders from across the globe," **Mr Jason Ng, Managing Director, MP Group.**

"APTEXPO will connect Asia-Pacific's manufacturing powerhouse with the global market, driving a more secure, decentralised, and efficient supply chain, " **Mr Xu Yingxin, Vice President, China National Textile and Apparel Council (CNTAC)**

Event Highlights

The 2025 edition of APTEXPO will feature a dynamic line-up of activities designed to deliver high-value insights, connections, and opportunities for stakeholders across the textile and apparel value chain.

- **APTEXPO Summit:** Bringing together over 300 senior delegates from leading global brands, major retailers, renowned designers, policymakers, and technology innovators, the summit will provide a strategic platform to discuss the future of supply chains, sustainability, and cross-border collaboration.
- **International Exhibition:** Featuring over 100 exhibitors from more than 7 countries and regions, the exhibition will showcase the latest in textile manufacturing, sustainable materials, digitalisation, logistics, and supply chain management solutions, making it a one-stop platform for sourcing and partnership opportunities.
- **Notable exhibitors include** Ghim Li Global Pte Ltd (Singapore), Best Garment Group (Cambodia), Chenfeng (Suqian) Textile Technology Co., Ltd (China), NicheTech Advanced Materials Co., Ltd (Republic of China, Taiwan), Foursource Group GmbH (Germany), Jing Cheung Industrial Co., Limited (Hong Kong SAR), Zhejiang Hongdu Textile Technology Co., Ltd (China) and Dalian Tianzhi Garments Manufacture Co., Ltd (China).
- **Meet face-to-face** with global textile and apparel suppliers, buyers, and innovators through curated business matching sessions designed to help you find the right partners, explore collaborations, and expand your network across Asia's fashion and manufacturing ecosystem.
- **Six Concurrent Events:** Running alongside the main exhibition and summit, six specialised concurrent events

will offer focused discussions, networking, and knowledge exchange tailored to specific sectors driving growth and innovation across the textile and apparel value chain.

- The Asia-Pacific Sports & Outdoor Fashion Forum will spotlight emerging trends in performance textiles, functional apparel, and outdoor lifestyle fashion, highlighting opportunities in design innovation, material technology, and sustainability.
- The 7th Belt and Road Textile Conference will bring together policymakers, trade associations, and business leaders to advance regional cooperation, investment, and sustainable development across the Belt and Road economies.
- The Industry Update Showcase will feature country and regional briefings, presenting the latest market developments, investment climates, and partnership opportunities across Asia's textile-producing nations.
- A series of exclusive closed-door workshops will provide targeted networking sessions designed for high-level dialogue, investor engagement, and cross-border business collaboration.
- FUTR Asia 2025 will connect forward-thinking brands, retailers, and marketers exploring the future of retail, e-commerce, and consumer engagement – where fashion, technology, and lifestyle converge.
