[Azuga](#), a Bridgestone Company and leader in fleet telematics, today announced that it has received the Great Place to Work Certification™. This prestigious recognition, which reflects the insights and feedback of its employees, reinforces Azuga's deep commitment to building a dynamic and inclusive workplace that prioritizes professional growth, well-being, work-life balance, trust, pride and collaboration.

Team Azuga: Driving success together

*"Azuga's workforce represents top talent, all focussed in pioneering innovative solutions focused on our customers needs," said **Jeremy Collins, CEO of Azuga.** "Our exceptional performance in the Great Place to Work survey, particularly in the Pride Index, is a testament to our commitment to fostering a culture where our employees can thrive-solidifying our position as one of the best software companies to work for globally."*

Azuga's dedication to its people, collaborative work culture, robust DEI initiatives, career growth opportunities, workplace flexibility and commitment to social responsibility have been pivotal in earning its recognition as a Great Place to Work. The company champions work-life balance and places a high value on employee benefits and drives a culture of innovation.

Expressing pride in the certification, **Badrinath A.K., Managing Director-India Operations**, shared, *"Since Day 1, our teammates have been the heart of our company and we are committed to fostering a culture of respect, transparency and innovation, where they can thrive, grow and feel valued daily. Recognizing these founding principles as a Great Place to Work certified company reflects the hard work, dedication and passion of our team."*

Employees appreciate the balance between hard work and well-being, with initiatives that promote teamwork while ensuring personal time. The global fleet telematics Leader got top marks for Pride, Hospitality, Community and Intimacy.

*"Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," says **Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work.** She emphasizes that Certification is the sole official recognition earned by the real-time feedback of*

employees regarding their company culture. *“By successfully earning this recognition, it is evident that Azuga stands out as one of the top companies to work for, providing a great workplace environment for its employees.”*

Thomas Kuruvila, Vice President of Human Resources commented on this achievement, *“At Azuga, we value employee feedback, which strengthens our supportive culture. Through strong mentorship and open communication, our employees stay motivated and engaged. Being recognized as a Great Place to Work is a significant milestone, and we remain focused on enhancing employee experiences and fostering a positive, collaborative workplace.”*
