

Compare and Get Personal Loans Easily through Bajaj Markets

Category: Business

written by News Mall | June 6, 2025

[Bajaj Markets](#) simplifies access to personal loans from multiple financial partners, and facilitates the funding for diverse needs, including travel, wedding expenditures, and medical emergencies. Users can easily compare vital loan specifics like interest rates, available loan amounts, and repayment tenures, and select those that align with their specific requirements and preferences.

Get Personal Loans through Bajaj Markets

Loans available through Bajaj Markets can extend to amounts of up to ₹155 Lakhs, provided without the requirement of collateral submission. The [instant personal loan](#) options presented on the platform are characterised by several features:

- **Tenure:** Flexible repayment options ranging from 12 to 96 months
- **Interest Rates:** Starting from as low as 9.99% p.a.*
- **Processing:** Completely digital, with quick approval and disbursal

The entire process, from initial application to final disbursal, is conducted digitally. This digital approach, combined with minimal documentation requirements, aims to create a seamless experience for borrowers.

In addition to personal loans, Bajaj Markets provides access

to a wide range of financial products such as credit cards, investment plans, insurance solutions, and CIBIL score checks. Explore these products on the Bajaj Markets website or app today.

About Bajaj Finserv Direct

Bajaj Finserv Direct, a subsidiary of Bajaj Finserv, is one of the fastest growing fintech companies in India. It has two primary arms, Bajaj Markets, a financial marketplace, and Bajaj Technology Services, a tech solutions provider.

Bajaj Markets is a marketplace that offers multiple financial products across all categories such as Loans, Cards, Investments, Insurance, Pocket Insurance, Stock Market, electronics via ONDC and Value-Added Services (VAS). Bajaj Markets has partnered with trusted financial brands to offer “India ka Financial Supermarket”. A one-stop destination where its customers can explore a host of products that can help them achieve their financial life goals.

Having started its journey as a fintech, Bajaj Finserv Direct has also built a very strong technology services business – Bajaj Technology Services, through which it offers a wide gamut of digital technology solutions spanning Experience, Commerce, Engineering, CRM, Data & AI, Cloud, Digital Agency, and Emerging Tech practices.

Visit the [Bajaj Markets website](#) or download the [Bajaj Markets' app](#) from the Play Store or App Store to experience “India ka Financial Supermarket”.
