Cricket Loot Rush is designed for cricket lovers who thrive on fast action and dream of legendary cricket gear. In this game, you can collect a unique virtual set of cricket-themed items—from everyday essentials like regular stumps to elite collectibles such as pro-level batting pads, platinum helmets, and even the coveted Mullagh Medal!

But it's not just about the gear—each item comes with a cash multiplier, turning your passion for cricket into real money wins. The rarer the item, the bigger the boost to your winnings. Sounds cool, right

Pick a Bag. Win Big!

The rules of the game are simple:

1. Choose from three types of bags – **Rare**, **Epic**, or **Legend**.
2. Set your stake – from Rs. 4 to Rs. 9,000.
3. Hit **Open** to reveal your prize.

Each bag offers a unique set of multipliers, letting players choose their preferred level of risk:

- Rare: Low risk, steady returns
- Epic: Balanced gameplay with the chance for bigger wins
- Legend: High risk, high reward-with multipliers up to x100

Whether you're in the mood for something safe or aiming for a big win, there's a bag that fits your play style.
