

Crompton Launches New Range of Decorative Wall Lights Providing a Perfect Blend of Uniqueness & Aesthetics

Category: Business

written by | December 12, 2024

Crompton Greaves Consumer Electricals Limited, renowned for its dedication to quality and innovative lighting solutions, is thrilled to unveil its latest range of Decorative lights – The Wallsmile Wall Light Series. Whether you are decorating your home or just looking to add a touch of elegance, this collection is designed to elevate living spaces for DIY enthusiasts and professional decorators. Perfect for both minimalist and luxurious interiors, these wall lights will add a touch of elegance and charm to any room.

Crompton's Range of Decorative Wall Lights

Consumers are increasingly looking for lighting solutions that combine beauty and functionality. Crompton's Wall Lights satisfy the consumer's needs by offering a blend of elegance and style that transforms any space. These lights create a distinctive ambiance. Whether you're looking to add a touch of luxury or set the perfect mood, Crompton's Wall Lights come in a variety of shapes that match every emotion, effortlessly infusing warmth and charm into your home. Ideal for corridors, garden walls as well as indoor spaces, these lights help create an inviting atmosphere that reflects your unique personality. They add depth and visual interest to any space, enhancing your living environment.

Crompton's Decorative Wall Lighting Range includes a diverse range of products which elevate the overall experience of the consumer:

1. **Wall Lamps:** All four of these contemporary designs are made to last and are easy to install. With a one-year warranty, these lights demonstrate Crompton's dedication

to excellence.

2. **Ball Lights:** Lighting is more than just a necessity; its an essential element of design that transforms spaces. This collection of wall lights combines artistry and functionality, providing not only illumination but also a touch of elegance for any room.
3. **K Lights:** The One-Way and Up & Down K Light are engineered to direct light precisely where you need it. Whether you want to highlight a piece of art, illuminate a pathway, or create ambiance in a cozy corner, this fixture delivers bright, focused lighting that enhances your environment.
4. **Telescopic Up & Down Lights:** The Two-Way Telescopic lights are designed to project light both upward and downward, offering enhanced versatility for your lighting needs. Whether you want to highlight architectural features or create a warm ambiance in a living area, this fixture delivers beautifully balanced light in both directions.

Designed to upgrade the overall lighting experience of the space, the Decorative Wall Lights range offers reliable lighting solutions for anyone who wants to upgrade the aesthetics of their home dcor. This range of lights is water resistant and dust-free, which makes them suitable for both indoor as well as outdoor environments as they can take splashes of water without affecting the productivity and functioning of the product. Additionally, the entire range of these wall lights are registered with Bureau of Indian Standards (BIS), which ensures that the safety, quality & performance standards are verified.

Speaking about the latest launch, **Mr. Shaleen Nayak, Vice President & Business Head, Lighting – Crompton Greaves Consumer Electricals Ltd.**, stated, *“At Crompton, we view*

lighting as an art form that has the power to redefine spaces-going far beyond mere illumination. Our approach focuses on offering consumers innovative solutions that elevate their everyday experiences. From enhancing ambiance to ensuring reliability, our lighting solutions are designed to combine beauty, functionality, and durability. The latest Wall Lights Range exemplifies this ethos, featuring surge protection, water resistance and easy installation. These lights are not just fixtures-they're a testament to Crompton's commitment to setting new benchmarks in quality and originality, making us a trusted partner for modern homes."

Available at Crompton-authorized retail outlets nationwide and on major e-commerce platforms, this collection is designed to brighten and elevate interiors while enhancing dcor.

The price range of the products is as follows:

Kind of Product	MRP (INR)
