Cumin Co., a design-forward kitchenware brand inspired by the heart of Indian homes, proudly announces the launch of India's first 100% toxin-free enamel cast iron cookware.

Cumin Co. No. 8 Moringa Dutch Oven

Crafted with care, certified for safety, and built for modern living, Cumin Co. is reimagining what healthy cooking should feel like-effortless, beautiful, and safe.

Born from a simple question-Why is it so hard to find healthy, beautiful, and easy-to-use cookware-Cumin Co. is here to change the game. The brand's enamel-coated cast iron range, including Tawas, Skillets, and Dutch ovens, offers timeless design with unmatched functionality, all without the harmful chemicals often found in traditional non-stick or metal cookware.

"We're not just making cookware-we're crafting experiences," said **Udit Lekhi and Niharika Joshi, Founder of Cumin Co.**

Cumin Co. was inspired by the energy of bustling Indian kitchens and the desire for cookware that's as safe as it is

stylish. This is cookware you can count on-for your family, your food, and your health.”

What Sets Cumin Co. Apart:

- **100% Toxin-Free:** No PTFE, PFOA, PFAS, lead, or cadmium-ever.
- **Compliant on Global Safety standards** -Approved by US FDA, EC 1935/2004, and LFGB for food safety.
- **Enamel coated Cast Iron:** Durable, non-reactive, and naturally non-stick with proper seasoning.
- **Baby-Food Safe:** So safe, even your little one’s first bites are protected.
- **10 years warranty, Low Maintenance, High Style:** Designed for busy kitchens and modern aesthetics.
- **Compatible with gas, induction, and electric stoves,** Cumin Co.’s cookware is made for every kind of home and every kind of cook-from the novice making their first roti to the seasoned chef slow-cooking a Sunday feast.

About Cumin Co.
