About Cupid Breweries and Distilleries Limited

Company is poised to be a prominent player in the global Brewery and Distillery industry, with a strong presence in India, UAE, and Uzbekistan. The Company is now focusing on expanding its footprint national and international markets, through various possible channels such as partnering with manufacturers, including setting up its own units, spread across PAN India and abroad.

In the process, the Company at Brau Beviale, which is one of the leading trade fairs for the Global Beverage Industry held at Nuremberg, Germany has entered memorandum of understanding for production of “Halal” certified non-alcoholic beer at its upcoming manufacturing unit at RAK-UAE. The agreement secures the exclusivity of supply of equipment and technology with Steinecker GmbH, Germany.
