Dancy Labs Private Limited

Announcing the investment of USD 120 Million **Dr Ashok Tiwari Managing Director of the unlisted pharma company Dancy Labs Pvt Limited** said, “ *We are thrilled to share that the Board of Directors and Management have endorsed this pivotal proposal in our recent Special General Meeting. This strategic investment will open up significant opportunities in key markets across Sweden. With the capital raised from investors and NBFCs, we are poised to seize this deal and realize its full potential. The asset buyout & Patents is a critical component of Dancy Labs broader strategy to expand its global footprint. The acquired assets include state-of-the-art research facilities and cutting-edge technologies that will be integrated into Dancy Labs existing operations. This expansion is set to accelerate the development of novel pharmaceutical solutions and solidify the companys position as a leader in the industry. With the acquisition, Dancy Labs aims to bolster its innovative capabilities and enhance its competitive edge. The new assets will provide the company with advanced manufacturing capabilities and resources to drive pioneering research in various therapeutic areas. This strategic move is expected to lead to a surge in patent filings and the development of breakthrough treatments that address unmet medical needs.*”

Mr Chandrakant Patil Executive Director of Dansy Labs Pvt Limited said, *“This strategic asset buyout is a transformative step for Dansy Labs. It reflects our unwavering commitment to advancing research and innovation in the pharmaceutical industry. By integrating these world-class assets, we are poised to accelerate the development of cutting-edge therapies and expand our global reach. Dansy Labs has long been recognized for its commitment to quality and excellence in the pharmaceutical industry. The companys robust portfolio of active pharmaceutical ingredients (APIs) and intermediates has garnered acclaim for its superior quality and efficacy. The latest acquisition underscores Dansy Labs dedication to maintaining high standards and delivering innovative solutions that improve patient outcomes. The asset buyout is expected to have a profound impact on Dansy Labs research and development efforts. The company is set to leverage the newly acquired assets to explore novel therapeutic avenues and develop treatments that address critical health challenges. As Dansy Labs continues to push the boundaries of innovation, it remains dedicated to improving the quality of life for patients worldwide. The investment aligns with Dansy Labs mission to enhance its global footprint and strengthen its position in the pharmaceutical and healthcare sectors. By integrating these new assets, the company aims to accelerate its development of cutting-edge solutions and maintain its competitive edge in the industry.”*
