

DigiComm, a Leading Digital Marketing Agency, Invests in YouTube Content Platforms

Category: Business

written by News Mall | January 13, 2025

NCR-based **DigiComm Marketing Services LLP**, a renowned digital marketing agency known for its ORM strategies, Meta & Google marketing has made a bold foray into content creation with the launch of its new YouTube platform. The initiative, City News Channel-24 (CNC-24), will be a dedicated platform delivering timely news, updates, and insights, accessible on YouTube and all major social media platforms.

[CNC-24](#) aims to deliver a wide range of content covering diverse topics, ensuring that audiences from all walks of life can find relevant, engaging, and reliable news. The platform will cater to a broad audience across digital channels, bringing both localized and global perspectives on various

issues.

Dushyant Sinha, Founder, DigiComm Marketing Services LLP

Dushyant Sinha, Founder, DigiComm Marketing Services LLP, said, *"At DigiComm, we've always been at the forefront of digital marketing innovation. With the launch of CNC-24 as a dedicated YouTube, we are taking our commitment to content creation to the next level, delivering fresh, insightful news that caters to the growing demand for immediate information in today's digital world. This initiative underscores our commitment to providing value to our viewers across platforms."*

This initiative shows DigiComm's dedication to innovation in digital media, further solidifying its presence as a leader in online content creation. With this launch, it continues to push the boundaries of digital media, delivering a valuable resource that keeps audiences connected and informed in today's digital landscape.
