

DU Digital Global Launches 'DuVerify' to Bring Instant, Secure Verification for Tenants and Domestic Staff

Category: Business

written by News Mall | September 8, 2025

DU Digital Global, also known as DU Global, a leading provider of visa, biometric, and verification services, today announced the launch of DuVerify, a digital-first platform designed to deliver fast and reliable [background checks](#) on tenants, drivers, maids, and nannies.

With rising demand for secure homes and workplaces in India's urban centers, DuVerify provides a convenient way for households, landlords, and employers to verify identities and backgrounds within 4 to 6 hours, helping reduce risks and

improve peace of mind.

DuVerify by DU Digital Global is a digital platform for fast, secure background checks on tenants and domestic staff, delivering clear reports within a few hours

Key Features of DuVerify

Fully digital process: Verifications can be initiated and completed entirely online.

Flexible verification tiers: From Basic identity and criminal record checks to Premium packages that include income verification, ITR records, and even Interpol screening.

Actionable, easy-to-read reports: Delivered with a verification score and detailed findings to support quick, informed decisions.

Secure and private: All data is handled under strict security and privacy protocols.

Industry Perspective

Commenting on the launch, **Manoj Dharmani, CEO of [DU Global](#)**, said, *“DuVerify addresses a pressing urban challenge: how to trust the people we welcome into our homes and properties. By combining speed with transparency, we’ve built a service that makes verification effortless, so families and landlords can focus on what matters most – safety and peace of mind.”*
