**DuDigital Global Limited** (NSE: DUGLOBAL), a leading Indian provider of visa processing and consular outsourcing services, has expanded its international footprint with the launch of two Indian Consular Application Centres (ICACs) in Bangkok and Chiang Mai, Thailand. These centres, established under an outsourcing agreement with the Embassy of India in Thailand, mark a significant milestone in enhancing citizen services and deepening India-Thailand bilateral ties.

**H.E. Mr. Nagesh Singh inaugurates ICAC Bangkok with Ms. Paulomi Tripathi and the leadership of DuDigital Global – strengthening India-Thailand consular outreach**

The ICACs will offer comprehensive support for visa applications, passport renewals, and other consular services to both Indian nationals and Thai citizens seeking travel or official documentation assistance related to India. The twin launches bring accessible, tech-enabled public services closer to residents in central and northern Thailand.

The inauguration ceremony was graced by H.E. Mr. Nagesh Singh, Ambassador of India to the Kingdom of Thailand, reaffirming India's focus on citizen-centric service delivery and global outreach.
