Yolo247, India's top online gaming platform, run by Bright Win BV Limited, is happy to announce the launch of Evolution Gaming's latest product, Super Color Game, on the Yolo247 platform.

Yolo247 now proudly offers Super Color Game, the latest and highly sought-after offering from Evolution Gaming

Super Color Game is the latest live game show from Evolution. Inspired by a local traditional Filipino carnival game, the title offers a mix of culture and playability. The game delivers a colorful, live, and interactive gameplay experience, exclusively for Yolo247 users. The game consists of three large dice with six colorful faces: yellow, white, pink, blue, red, and green. Players can simply place stakes on the Single, Double, or Triple. Each round has 18 random multipliers and has a max win potential of 1,000 times the stake.

*"Super Color Game is a celebration of chance, color, and tradition," said **Martin Carlesund, CEO at Evolution**. "Every round has multipliers added to it, as we certainly wanted to do something special for players. With the simple-to-use user interface of Yolo247, we are excited to be able to offer a*

stunning visual and fun playing experience with our game. We believe that it is going to resonate with players and be loved by them."

Important Elements of Super Color Game:

- **Three Colorful Dices:** All rounds are a thrill as three dice tumble through a chute and display winning color combinations
- **Mixed Stake Types:** Players can choose their level of strategy for each roll with Single, Double, or Triple Stake options
- **Random Multiplier:** Up to 18 multipliers can be randomly assigned to a rounds wagering spots, with 10x for Single Stake, 100x for Double Stake, and 1,000x for Triple Stake.
- **Rapid, Social Engagement:** Live-presented hosts engage the audience in the Super Color Game, streaming around the world, and tapping into an audience seeking fast entertainment for todays world.
- **Cultural Heritage:** The game is highly inventive but maintains ties to Filipino heritage through nostalgia and modernization.

"The launch of Evolution Gaming's Super Color on Yolo247 demonstrates our commitment to integrating the most advanced gaming technology available to the market." said, **Vinod D'Souza, CEO of Yolo247**, expressing his excitement. *"This dynamic game incorporates tradition and technology to appeal to colorful and diverse gamers of Indias population,"* he added.

While paying homage to its Filipino roots through modern designs, Super Color makes use of today's digital enhancements, ensuring utmost excitement. Additionally, top-

tier live games continue to be integrated into Yolo247's ever-expanding portfolio while upholding standards such as safety and fairness, along with user entertainment.

With visionary partners like Evolution Gaming, Yolo247 is able to remain captivating and exciting, allowing itself to stay ahead in India's online gaming market.
