I accept this award on behalf of the entire MAHE community, whose tireless efforts make recognitions such as this possible."*

**Shri K Jayaprakash Hegde, Former Minister Ports and Fisheries, Government of Karnataka**, said he was extremely humbled on receiving the award and emphasized *"Appointed by the Government of Karnataka, I was entrusted with the responsibility to oversee social inclusion initiatives and*

*classification reforms. In this role, I sought to modernize representation frameworks and address long-standing social inequities within our state. **Shri K Lakshminarayanan, Former Executive Director, Canara Bank,** went down the memory lane and shared *"I had the opportunity to meet Shri T A Pai when he was the head of the Canara Industrial and Banking Syndicate, with Dr TMA Pai as the chairman of the Board of Bank. Initially, I was not familiar with local languages and conversed in English, which later got down to broken Kannada, and local people were kind enough to accept me as such. During the time, the bank expanded its services to overseas and I got the opportunity to learn banking practices from Germany, and in subsequent years when the bank opted to operate from London, I was managing the branch for some time. After satisfying years, the Government of the day chose to appoint me as the Executive Director of the Syndicate Bank and subsequently the Executive Director of the Canara Bank."*

My journey in building institutions that bridge healthcare, education, and community service has always been inspired by the same values that define MAHE: excellence, innovation, compassion, and a deep-rooted belief in the transformative power of education and healing."*
