Galgotias University continues its global rise, ranked among India's top institutions in QS World University Rankings 2026

Building on this momentum, Galgotias University has achieved yet another milestone in the QS World University Rankings: Asia 2026, where it has been placed at 116 in Southern Asia and 454 across Asia. This recognition marks Galgotias as one of the youngest and fastest-rising universities in the region, reflecting its steady progress toward becoming a hub for transformative education and international collaboration.

Adding to its growing list of accolades, Galgotias University has been honored with the prestigious QS Recognition Award for Global Engagement – Performance Improvement, acknowledging its

sustained efforts in strengthening global partnerships, fostering cross-border learning opportunities, and continuously improving institutional performance on a global scale.

Commenting on the milestone, **Dr. Dhruv Galgotia, CEO of Galgotias University**, said, *"Our performance across global and regional rankings underscores Galgotias University's evolution as a globally connected, research-led institution. These recognitions are the result of our faculty's excellence, our students' innovation, and our commitment to creating future-ready graduates who make a real-world impact."*

At the heart of Galgotias University's success lies its transformative G-SCALE (Galgotias Student-Centric Active Learning Ecosystem). This innovative model emphasises experiential learning, research-driven education, and comprehensive student development. Guided by the visionary leadership of Dr. Dhruv Galgotia, the University continues to strengthen its position as one of Asia's most dynamic institutions of excellence.

With consistent performance in global rankings and a growing footprint in international collaborations, Galgotias University is setting new benchmarks in quality education, research, and global engagement.
