The Indo-French Chamber of Commerce and Industry (IFCCI), in collaboration with Business France, CCEF and Team France Export, proudly hosted the **7th Edition of the Indo-French Business Awards (IFBA) 2025** and the **Grand Prix VIE Awards 2024** on April 15 at the **Embassy of France in New Delhi**. Held under the esteemed patronage of **H.E. Mr. Thierry Mathou, Ambassador of France to India**, the evening served as a distinguished platform to honor achievements across the realms of **Innovation, Mobility, Energy, Manufacturing, Digital, and Sustainability**.

The 7th Edition of the Indo-French Business Awards 2025 & Grand Prix VIE

Bringing together **over 150 top executives, diplomats, and senior industry leaders**, the event celebrated the shared vision, growth, and collaborative spirit that define the Indo-French business landscape.

“The Indo-French business relationship is a model of resilience and innovation. Tonight, we celebrate the pioneers of this partnership-those who transform ideas into impact and cooperation into lasting value. Tomorrow, the India-France Year of Innovation 2026 will be a perfect platform to showcase French and Indian innovation across various sectors and engage in further collaboration projects,” said **H.E. Mr. Thierry Mathou, Ambassador of France to India.**

This year saw a record-breaking **100+ nominations** from across India and France, with the highest participation in the **“Most Innovative Product/Service of the Year”** category-highlighting the collective drive toward innovation-led growth.

Ms. Payal S. Kanwar, Director General of IFCCI, added, *“These awards highlight not just excellence but the evolving power of*

Indo-French synergies. From sustainability to digital innovation, the winners represent a shared commitment to building a better, tech-forward future. As we look ahead to the India-France Year of Innovation 2026, these collaborations are only set to deepen, inspiring new breakthroughs and stronger industrial ties. These achievements inspire us to keep building platforms that connect, enable, and amplify Indo-French excellence across industries."
