Innovatiview, a technology solutions provider specializing in integrated examination security solutions, has been awarded with the '**Electronic Security Solutions Provider of the Year**' at the 2nd Annual BW Security World Excellence Awards 2025.

Mr. Ankit Agarwal, Promoter & Whole-time Director – Innovatiview receives 'Electronic Security Solutions Provider of the Year' awarded to Innovatiview at BW Security World Excellence Awards 2025

The winners were determined by an eminent jury panel of industry experts, and the nominees were evaluated on parameters such as implementation of ideas and their impact on the security industry.

The company is a technology-based security solutions for examinations, elections, and events, which includes CCTV surveillance, biometric control, frisking, and VoIP communication systems, providing end-to-end security in the examination and election security solutions. Innovatiview remains one of the first companies in India to introduce and integrate artificial intelligence (AI) technology in CCTV surveillance and accurate touchless biometric verification solutions for impersonation control in examinations.

Ankit Agarwal, Promoter & Whole Time Director, Innovatiview, said, *"This award represents the shared vision of the promoters at Innovatiview, Ashish Mittal – Promoter & Whole Time Director, Vishal Mittal – Promoter and Whole-time Director, and Abhishek Agarwal, Promoter and Whole-time Director, who have dedicated themselves to the creation of fair assessments through safe and secure examination security solutions. This award is also a recognition of the commitment of our employees and vendor partners, who have contributed unceasingly to make this possible. Finally, we appreciate the confidence our clients have placed in us with their most critical needs. The immense belief in us provides the fuel to give the best quality of service on every assignment, with integrity, transparency and safety."*

The company's security and surveillance solutions have been admired by several clients across India. Using advanced tech, Innovatiview has secured 735 exams across India and has, monitored 44,045 exam venues in FY 2024 and has the ability to cater across 28 states and 8 union territories, In the same

year, the company scanned over 44.15 million biometrics in its examination security projects.
