The ultimate holiday destination for all with, Fast Track here to fuel unforgettable memories as the premier playground for guests of all ages.

Go Kart at Kandima, Maldives

More Track, More Speed, More Fun! With speeds soaring up to 80 km/h, twelve hair-raising turns, and an eco-conscious electric kart system, Fast Track is more than just a karting experience – it's a high-speed adventure in paradise! Kandima's Fast Track is the first and the longest asphalt track in the Maldives at 500 thrilling metres, offering an extended rush for racers and ensuring every lap is packed with adventure.

Research shows that 2025 will be the year of '**collective adventure**', with reports revealing the search for shared

experiences is reshaping travel behaviour. More than ever, travellers from across the world want experiences they can share with others.

Safety and comfort come paramount with Kandima's specially designed karts, which feature adjustable seating, safety barriers, and full seat belts. With three marshal posts strategically positioned around the track, all racers can feel confident and secure while embracing their need for speed. This attention to detail, combined with Kandima's renowned service and innovative design, makes Fast Track the ultimate entertainment destination for anyone visiting the Maldives.

Whether you're a seasoned racer or just getting started, Fast Track offers a range of settings and support to ensure that everyone has a blast. The karts are equipped with adjustable speed settings, making them suitable for juniors, families, and competitive thrill-seekers. For those craving a more immersive experience, Kandima is set to offer a Mini Grand Prix and Grand Prix packages that include qualifying rounds, gridding, and a full race experience. A full safety briefing is provided before every session, and a friendly team offers all racers expert guidance on kart handling, track navigation, and driving techniques to ensure an exhilarating and safe ride from start to finish

In line with Kandima's commitment to sustainability, the karts are powered by cutting-edge electric technology, offering an eco-friendly, zero-emission adventure. This high-tech, high-thrill experience aligns seamlessly with Kandima's environmental goals, letting you enjoy the thrill of racing while keeping the island's pristine beauty untouched.

Fast Track promises an anything-but-ordinary racing experience, combining Kandima's signature style with jaw-dropping Indian Ocean views and a top-of-the-line track. Guests can be among the first to hit the track and make racing memories in the most stunning location imaginable.

*“At Kandima, we are always pushing the boundaries of what an island experience can be. We are thrilled to announce the launch of the Maldives longest and first oceanfront asphalt go-kart circuit, specifically designed to cater to family travellers and adventure enthusiasts,” says **Althaf Mohamed Ali, COO of Pulse Hotels & Resorts**. “This exciting addition enhances our resorts offerings for all, whilst providing an exhilarating experience for teens, couples and families. We are committed to creating memorable and engaging activities that elevate the guest experience in our beautiful tropical setting.”*

Further bolstering its entertainment offering, Kandima is set to launch [PlaySpace](#) in 2025, an immersive entertainment centre on its extensive island. The high-tech facility will consist of classic arcade games, VR experiences, bowling, escape rooms and more fun for teens, grownups and families, alike, furthering Kandima’s appeal as the ultimate lifestyle destination for all travellers.

The go-karting fun starts at just INR 2740/ INR 2905 for a 10-minute session, with exclusive packages available for couples, families, and groups.
