Charu Modi, Founder and Chancellor of KK Modi University, shared her thoughts, *"At KKMU, we believe in going beyond traditional education to nurture the all-round growth of our students. It's not just about academic excellence but also about empowering our students to thrive in every sphere of life-physically, mentally, and emotionally. The Sanctum experience was a perfect fit for this vision, offering our students a truly transformative opportunity to grow and connect with themselves at a deeper level."*

The unique 50-minute session by Sanctum was a multi-sensorial journey designed to unlock potential of the young students of the university through movement, mindfulness, and storytelling. Equipped with headphones, Over 300 participants were guided through immersive breathing exercises, dynamic movements, and rhythmic storytelling, all set to an electrifying soundtrack. This distinctive format, which has

gained global recognition and features in Vogue and a BBC documentary, blends physical edginess with mental clarity to help participants achieve mindful euphoria and personal discovery.

A participant, **Charu Jain, MBA 2024**, shared her thoughts, saying, *"This session was truly a life-changing experience for me. I felt a deep connection with myself during the journey, and it brought me a sense of spiritual awakening I had never experienced before. It's an experience I will carry with me for a lifetime."*

Luuk Melisse, Founder, Sanctum, remarked on the experience, *"The energy and enthusiasm at KK Modi University were infectious! It was truly inspiring to work with such vibrant and curious young minds. The atmosphere on campus fosters a sense of innovation and creativity that made our session incredibly special."*
