Welcoming the dignitaries, **IEBF Founder Mr. Vijay Goel** highlighted the significance of the summit, noting that the India-UK and India-EU Free Trade Agreements are poised to unlock opportunities worth over 40 billion and €200 billion respectively. The evening witnessed the presence of eminent leaders and policymakers including Lords David Evans MP. UK, Minister Kaniska Narayan MP. UK, Minister Seema Malhotra MP. UK, Virendra Sharmaji a former Member of Parliament UK. Minister Seema Malhotra former MP. UK. Dr. Neerja Birla is the Founder & Chairperson of the Aditya Birla Education Trust.

Niharika Handa ji Squadron leader Bengaluru India. Tejesh Kumar Kodali, he was also Chairman at LGS Global Ltd. and Chairman & Managing Director at Spectacle Ventures Ltd. Sandip Saji ji.

Speaking on the recognition, **Mr. Subodh Gupta, CEO Lord's Mark Microbiotech** said, *"This honour at IEBF London is not just a milestone, but a reaffirmation of our purpose. Our commitment is to fuse science, scale, and social impact. Through Sickle cell, Renalyx and One DNA, backed by Asia's largest upcoming medical device and biochemistry facilities, we are shaping the future of healthcare. Our goal is to make India proud and deliver on the Prime Minister's vision of Make in India and Atma Nirbhar Bharat-taking Indian innovation to the world."*

Global Endorsements from Dignitaries

Dignitaries present at the forum lauded LMIL's vision and global impact:

- Lord David Evans (UK): "With LMIL's medtech factory in India acting as a 'mother plant', global medical device companies will find a launchpad here – positioning India as a hub for innovation and production."
- Minister Kanishka Narayan, MP (UK): "The LMIL R&D team is truly world-class. Their deep research and solutions are enabling early detection and treatment of diseases – a major contribution to public health and society."
- Minister Seema Malhotra, MP (UK): "LMIL's global expansion ambitions and large-scale projects are drawing worldwide attention and investment – proving that India's medtech sector is emerging as a trustworthy, growth-driven destination."
- Virendra Sharma (Former MP, UK): "LMIL's plan to establish Asia's largest facility for medtech devices and biochemistry reagents is a milestone for India's

production capacity, innovation, and self-reliance.”

- Rt. Hon. Baroness Verma (Appointed member of the House of Lords): “LMIL’s vision to expand globally and pursue a listing on NASDAQ or other international exchanges in the next 3-4 years signals both ambition and confidence in India’s medtech future.”
