

Money Expo 2025 Set to Return to Mumbai – Scaling India's Financial Future

Category: Business

written by News Mall | August 12, 2025

In less than two weeks' time, **Money Expo India 2025**, the country's flagship exhibition and conference for trading, investing, fintech, and digital financial services, will return to Mumbai.

The fourth edition will take place on **August 23-24, 2025** at the **Jio World Convention Centre**, bringing together **10,000+ attendees, 100+ brands, 80+ high-profile speakers**, and participants from more than **10+ countries** including investors, retail traders, HNIs, fintech founders, and institutional leaders for two focused days of insights, innovation, and opportunity.

The 4th edition of Money Expo India 2025 will bring together industry leaders, brands and speakers from 10+ countries in Mumbai

Money Expo India 2025 will feature a major exhibition floor with live demos, product showcases, and networking activations from **top fintech and trading brands including CMS Prime, FxPro, GTC Prime, JustMarkets, MondFx, My MAA Markets, Trive, and XS.com** among many others, presenting the latest solutions and platforms designed to empower India's financial and trading community.

In addition to the exhibition, the event will also shine a spotlight on the emerging trends and innovations shaping India's financial ecosystem. Interactive workshops, keynote sessions, and expert-led panels will explore key themes including AI-powered finance, stock market movements, mutual funds, regulatory updates, compliance tools, and digital payments.

"India's fintech and online trading sectors are evolving rapidly, supported by digital infrastructure, rising literacy, and a progressive regulatory framework. Since its inception in 2022, Money Expo India has grown from strength to strength – delivering real value for attendees, exhibitors, and partners. The 2025 edition will be our most impactful yet," said **Niyaz Mohamed, Commercial Director, Money Expo India.**

According to a recent EY report titled "[The Role of FinTech in Building Viksit Bharat](#)," India's fintech sector is projected to generate USD 180-200 billion in revenue by 2030. In alignment with this vision, Money Expo India 2025 plays a pivotal role in advancing India's fintech ambitions by connecting market leaders, innovators, and investors through next-gen strategies and real-time market engagement.

This year's event will also witness broader participation from experts in AI-driven banking, digital payments, compliance solutions, and institutional finance. The event will welcome professionals from sectors including banking and finance, asset management, insurance, NBFCs, consulting, auditing, advisory, and technology among others.
