Kicky and Perky; a 925 sterling silver brand that uses moissanites and semi-precious stones in their jewelry, environmentally conscious- Kicky and Perky draws its inspiration from the richness of Indian heritage. These cultural elements serve as the foundation for designs that are reimagined with a bold, contemporary sensibility. Each piece reflects a seamless fusion of tradition and modernity, designed for individuals who honor their roots while embracing a forward-looking aesthetic.

All jewelry is conceptualized and developed in-house, ensuring originality and precision at every stage. Crafted using sustainable 925 sterling silver and responsibly sourced moissanites and semi-precious gemstones, every creation is a testament to thoughtful design, environmental responsibility, and uncompromising quality.
