

Next Bharat Ventures Hosts “Next Billion Forum 2025” in Bengaluru, Launches 3rd Cohort of Impact Startup Residency

Category: Business

written by News Mall | September 5, 2025

Next Bharat Ventures successfully hosted the flagship “Next Billion Forum 2025” in Bengaluru, bringing together some of the most influential voices shaping India’s future.

The Forum saw over **200 participants from across India and Japan**, including founders, investors, policymakers, and corporate leaders. Notable speakers included N. R. Narayana Murthy (Founder, Infosys), Amitabh Kant (Former G20 Sherpa), H. Takeuchi (CEO & MD, Maruti Suzuki India), T. V. Mohandas Pai, Dr. Pramod Varma (Chief Architect, Aadhaar), Nilesh Shah

(MD, Kotak AMC), Meena Ganesh (Co-Founder, Portea Medical), and Dhimant Parekh (Co-Founder, The Better India).

The Dignitaries including Mr. Narayana Murthy and Mr. Amitabh Kant

*“Next Bharat has the potential to create a bigger impact than Maruti Suzuki,” said **Amitabh Kant**.*

Adding to its global dimension, **40% of the audience represented Japanese corporates**, reflecting the growing strength of India-Japan collaboration.

*“The Next Billion Forum has become a unique platform where entrepreneurs, investors, and corporates from India and Japan co-create solutions for Bharat 2047. This year’s conversations reinforced that the next decade belongs to impact entrepreneurs who are building strong, purpose-driven businesses,” said **Vipul Jindal, CEO of Next Bharat Ventures**.*

Key Highlights

- **Powerful Keynotes & Panels:** Discussions centered on building Bharat 2047 through entrepreneurship, digital public infrastructure, women's economic participation, and impact investing.
- **Strategic MoU:** A collaboration between Atypical Advantage, Uno Minda Group, and Next Bharat Ventures was announced, to generate large-scale livelihood opportunities for persons with disabilities.
- **India-Japan Exchange:** More than 50 Japanese companies and 80+ professionals have engaged with Next Bharat over the past year. Three Japanese multinationals have even deployed employees for a one-year immersion in India.
