

# NIPS Hotel Management Institute Sets Unprecedented Culinary Benchmark

Category: Business

written by News Mall | February 10, 2025

**NIPS Hotel Management Institute** has made history with a groundbreaking achievement, cementing its position as a global trailblazer in hospitality education. By preparing the largest and most diverse dessert spread featuring an unparalleled fusion of Indian and international delights, the institute has proudly entered the prestigious India Book of Records.

## **Historic Partnership in Hospitality Education NIPS Institute of Hotel Management signs Landmark MOU with JW Marriott**

This record-breaking feat, accomplished at the iconic NIPS Kolkata campus, is a testament to the institute's legacy of innovation and dedication to excellence. The event transformed the campus into a vibrant hub of culinary artistry, where students showcased their ingenuity and precision, creating over hundreds of desserts that exemplified both tradition and modernity.

The celebration of this monumental success drew an audience captivated by the grandeur of the accomplishment. The atmosphere was electrifying as spectators witnessed NIPS students push the boundaries of culinary creativity, setting a standard that redefines excellence in hospitality.

*"A Triumph of Skill, Passion, and Innovation,"* **Dr. Vivek**

**Pathak, the visionary Founder Managing Director of NIPS,** lauded the achievement, stating *“This record-breaking feat is not just a milestone; it’s a testament to the extraordinary talent, hard work, and creativity of our students. It speaks volumes about NIPS’ relentless pursuit of excellence and its vision to shape the future of hospitality through groundbreaking initiatives. I am immensely proud of this monumental achievement, which reaffirms our position as a leader in hospitality education.”*

The event was more than a culinary showcase-it was a celebration of boundless creativity and a demonstration of NIPS’ commitment to nurturing talent that stands tall on the global stage. This achievement not only elevates the institute but also places India at the forefront of culinary innovation.

### **A Legacy of Leadership in Hospitality**

For decades, NIPS Hotel Management Institute has been a beacon of excellence in hospitality education. By consistently pushing the envelope with innovative programs and hands-on training, NIPS empowers students to reach unparalleled heights in their careers.

This historic accomplishment adds a new chapter to the institute’s legacy, inspiring future generations to dream big and achieve even bigger. With a vision rooted in redefining hospitality, NIPS continues to lead the way in shaping the industry’s future.
