

One Ecosystem, One Platform, One Defining Moment for Collections in India

Category: Business

written by News Mall | January 21, 2026

The Bharat Collection Summit & Awards 2026—India's first and only platform spanning the entire collections value chain—returns on 18 February 2026 at The Lalit, Mumbai, bringing together the nation's most powerful voices in collections to reimagine the industry from strategy rooms to street-level execution.

The largest convergence of India's collections ecosystem—one platform, unmatched scale, decisive impact

Collections in India is at a turning point.

As regulations tighten, borrower expectations rise, and technology reshapes recovery models, the industry needs more than conversations—it needs clear direction and collective leadership.

That's where the Bharat Collection Summit & Awards 2026 returns.

After two transformative editions, India's most influential collections platform is back to set the agenda for responsible, compliant, and future-ready collections—bringing together the leaders who don't just adapt to change, but drive it.

Power-Packed Keynotes & Thought Leadership

The Bharat Collection Summit & Awards 2026 features an elite lineup of India's most influential financial leaders and fintech innovators, delivering insights that matter.
