With the Cricket T20 League on the horizon, **Parimatch** is thrilled to introduce Narine's Power Punch, an action-packed instant game that blends the excitement of cricket with the rush of big wins. This brand-new game lets players step into the shoes of legendary all-rounder Sunil Narine, bringing his power, precision, and strategic mastery to life. While Narine delivers his signature power punches, you're the one reaping the rewards!

Exclusively available on the Parimatch platform, this newest addition is set to become a must-play for cricket fans and gaming enthusiasts alike.

Sunil Narine, Brand Ambassador of Parimatch, shared his excitement about the launch of the game, *"It's an amazing feeling to have a game inspired by my style of play, and I'm proud to be the face of it. Parimatch has captured the thrill of cricket in a whole new way, bringing the power, precision, and timing of the game to life. I can't wait for fans to experience it firsthand and enjoy every moment of the action!"*

Ready to Land a Power Punch

The rules are simple. At the start of each round, you place your stake-you can start as low as Rs. 2-and watch the action unfold! As the bowler charges in, Sunil Narine stands ready to deliver, his timing and focus unmatched. The moment the ball takes off, it's your time to act!

With every passing second, the ball flies higher, crossing the sky and reaching the space zone, while the multiplier rises-potentially reaching 1000x. With a maximum stake of Rs. 21,000, players can win up to an impressive Rs. 63 million in a single round! The challenge Decide the perfect moment to cash out before the ball freezes in space or burns out.

The multiplier is the key to unlocking big winnings. The longer the ball stays airborne, the greater the rewards-just be sure to cash out at the right time! Trust your instincts, time your move, and seize the moment for a winning shot!

Exclusive Feature: The Safe Zone

What makes Narine's Power Punch truly special is the Safe Zone-a unique feature that activates randomly during a round, guaranteeing a risk-free multiplier for a specified period. The Safe Zone duration is displayed on the screen, giving players a moment of security to enjoy multiplier growth. However, beware-once the Safe Zone ends, the ball could freeze or burn out at any moment, even in the very next second! It's up to you to decide whether to claim your winnings or continue the action for even bigger rewards.

Another feature that sets Narine's Power Punch apart from most instant games is its multi-stake option. PC players can place up to three stakes at once, multiplying their chances of a big win, while mobile players can enjoy the thrill with up to two simultaneous stakes. Whether you're playing on desktop or mobile, the stakes-and the excitement-are always high.

A True Cricket Experience

From Narine's helmet to his T-shirt and the playing field itself, Parimatch's signature touch is woven into every detail of the game, delivering a fully immersive cricket experience. The authentic stadium atmosphere, the thrill of every hit, and the high-energy gameplay make players feel like they're right in the middle of the action!

With stunning visuals, vibrant sounds, exclusive features, and the presence of the legendary Trinidadian all-rounder, Narine's Power Punch is more than just a game-it's a celebration of cricket, strategy, and the excitement of making bold moves.
