RIA Advisory, a leading provider of revenue management solutions, is proudly celebrating its third consecutive year of earning the prestigious Great Place to Work Certification in India. This accolade underscores the company's unwavering dedication to cultivating a workplace that stands out for its exceptional employee experience and superior people practices.

Together we Rise, Together we Shine

Great Place to Work is widely regarded as the gold standard in

recognizing organizations that nurture outstanding workplace cultures. To achieve this certification, companies undergo a thorough evaluation based on the Great Place to Work Model, which examines key factors like employee trust, fairness, and overall organizational pride, as measured through the Trust Index and Culture Audit attributes.

"We are elated to receive this honor for the third year running. At RIA, we unite individuals with diverse talents, perspectives, and backgrounds, all of whom contribute to our extraordinary growth. I'm delighted to see our employees thriving in their careers while enjoying the journey. We are committed to creating an environment where innovation flourishes at the core of everything we do," said **Saket Pabby, Founder and CEO of RIA Advisory.**

RIA received exceptional feedback across several key dimensions, including respect, credibility, fairness, and pride in their work, as reflected in the Trust Index Feedback Report, which is based exclusively on employee responses.

"A heartfelt thank you to our phenomenal team for all that they do. Our dynamic, passionate, and skilled teams bring agility, fresh ideas, and new perspectives to every initiative while cultivating a culture of respect, acknowledging individual contributions, ensuring equal opportunities, and championing fairness. I am proud to see our employees feel empowered and valued in their work," added **Sameer Khetarpal, Managing Partner at RIA Advisory.**
