**RISE Infraventures**, a prominent real estate consultancy firm, has achieved a significant milestone by recording Rs. 3,800 Cr in gross sales during the financial year 2024-25, with its GTV standing at Rs. 3856 Cr. The company saw a consistent performance in commercial real estate and a strong 30-35% surge in the residential segment.

Buoyed by this achievement, the company has now set an ambitious target of Rs. 5,000 crore in gross sales for FY 2025-26 and is expecting 25% growth in all the verticals. This growth plan is underpinned by a dynamic expansion strategy, aggressive market penetration, and a sharpened focus on innovation-led advisory services.

With a sharp focus on scaling operations and diversifying offerings, the company plans to open new offices across strategic markets in NCR to widen its national footprint and tap into high-growth opportunities. These markets are witnessing increased buyer capacity, significant project launches, and growing habitation, making them fertile ground for real estate investment.
