written by News Mall | April 3, 2025

Shriram One, the flagship mobile application of Shriram Finance, a leading NBFC (Non-Banking Financial Company) in India, has successfully empowered 9.53 million individuals as of Dec. 31, 2024, by providing them with convenient access to a wide range of financial services. This significant milestone underscores Shriram Finance's commitment to financial inclusion and its dedication to serving the diverse needs of its customers across the country.

Shriram One Empowers 9.53 Million People Financially

Shriram One serves as a digital gateway to a comprehensive suite of financial products and services, including loans, insurance, investments, and more. Through the user-friendly interface of the app, customers can conveniently manage their finances and investments, apply for loans, make payments, and access valuable financial information, all from the comfort of their homes or on-the-go.

By leveraging technology and embracing digital innovation, Shriram One has played a crucial role in expanding financial access to individuals across India, particularly in underserved and remote areas. The app has broken down geographical barriers and simplified the process of accessing financial services, empowering individuals to make informed financial decisions and achieve their financial goals.
