SIMATS

Times World University Rankings 2025
401-500

Saveetha Institute of Medical and Technical Sciences (SIMATS) is thrilled to announce its exceptional performance in the **Times World University Rankings 2025**, securing the **2nd position in India** and placing within the coveted **401-500 bracket globally**.

This remarkable achievement cements [SIMATS](#)' status as a

trailblazer in higher education, both nationally and internationally. The prestigious ranking reflects the institution's relentless dedication to academic excellence, ground breaking research, and state-of-the-art infrastructure.

This year's edition of the **Times World University Rankings** is the largest in its 21-year history, featuring a record **2,092 institutions** from **115 countries / regions**, an increase of 185 institutions compared to last year. The ranking assesses research-intensive universities across five key areas: **teaching, research environment, research quality, international outlook, and industry income.**

SIMATS has consistently been acknowledged for its innovative curriculum, which integrates both traditional and contemporary teaching methodologies, equipping students to meet the evolving demands of a globalized world. The university's focus on international collaborations, research innovation, and comprehensive student development has been instrumental in its ascent to the top ranks.

This global recognition reaffirms SIMATS' mission to cultivate the next generation of global leaders and innovators. With this prestigious milestone, SIMATS is well-positioned to continue its upward trajectory in the field of education, inspiring students and educators alike.
