

# SRM University-AP Announces M.Tech. Admissions for 2026: 100% Scholarship and Monthly Stipends Offered

Category: Business

written by News Mall | February 6, 2026

**SRM University-AP** invites applications from aspiring engineers for its M.Tech. Programmes. The varsity offers eight highly sought-after and future-ready programmes, such as Artificial Intelligence and Machine Learning, Data Science, Cyber Security, Environmental and Sustainable Engineering, VLSI Design, Embedded Systems and IoT, Materials and Manufacturing Technology, and Thermal Engineering.

## **SRM University-AP**

In a statement issued at SRM University-AP, the **Director of Admissions, Prof. Y Siva Sankar** remarked, *“Our programmes are designed to equip students with foundational principles, technical know-how and cutting-edge research, ensuring that our students are well equipped to excel in both research and professional realms.”*

Prof. Siva Sankar further highlighted the university’s ecosystem that boasts of 1200+ recruitment partners, 70+ global collaborations and 80+ advanced laboratories and 7 centres of excellence, he also underscored the M.Tech. highest placement package of 32 LPA.

Reaffirming the university’s commitment to making high-quality postgraduate education accessible to all deserving candidates, the varsity has announced that all admitted students will receive a 100% scholarship on tuition fees along with a

monthly stipend of ₹6,000.

The application deadline for M.Tech. at SRM University-AP is February 15, 2026.
