

Summer 2026 AC Guide: Top picks, deals and savings

Category: Business

written by News Mall | February 19, 2026

As summer approaches, most Indian families are looking for a reliable way to escape the rising heat. With heatwaves becoming more frequent, owning a high-performance AC from trusted brands like Voltas, Daikin, or LG has become an essential for staying comfortable at home. The latest 2026 models are designed to do more than just cool; whether it is the energy-saving technology of Samsung or the heavy-duty cooling of Blue Star, these units provide instant relief and keep rooms chilled even on the hottest days.

Make your air conditioner purchase more affordable with the Bajaj Finserv Easy EMI Loan

Buying a new air conditioner can feel like a big investment, but Bajaj Finserv makes it simple and affordable. With the Easy EMI Loan, customers can break down the cost into manageable monthly installments, choosing repayment tenures of up to 60 months. Many [AC](#) models are also available with zero down payment, making instant ownership possible. And with over 1.5 lakh partner stores across 4,000 cities, upgrading to a reliable cooling solution this season is both convenient and budget-friendly.

What's on offer this summer

Beat the heat without burning a hole in the pocket. Bajaj Finserv offers exclusive deals on premier AC brands tailored to different needs—whether prioritising eco-friendly energy

savings, cutting-edge smart features, or powerful, consistent performance, there is an ideal cooling solution for every space.
