written by | December 28, 2024

Sundream Group has announced the opening of a massive McDonalds outlet in its Anthurium project, the city's first Digital Office Space, located in Sector 73, Noida. Spanning an expansive 9,000 sq. ft., the new McDonalds restaurant aims to redefine the dining experience in the area by catering to professionals and residents alike.

McDonalds outlet opens at Anthurium, Noida

Anthurium's McDonalds outlet is designed to provide a welcoming and relaxed atmosphere, perfect for both quick breaks and leisurely meals. The restaurant features ample seating, modern amenities, and a strong focus on accessibility, ensuring a top-notch experience for visitors, whether they are busy professionals or families out for a meal.

*"We are thrilled to introduce McDonalds at Anthurium as part of our commitment to enhancing the dining experience in this landmark project," said **Harsh Gupta, CEO of Sundream Group.** "The launch of this outlet underscores our dedication to offering world-class amenities at Anthurium-a project that merges cutting-edge office spaces with premier retail offerings. Its strategic location and connectivity align perfectly with Noida's growing commercial and lifestyle*

potential."

Anthurium stands as an architectural marvel, featuring sustainable design and exceptional connectivity to Noida, Greater Noida, and Delhi. The project spans over 9 lakh sq. ft. and is distinguished by its unparalleled visibility and accessibility. With a captive audience of over 25,000 professionals, Anthurium provides a steady flow of high-net-worth customers, making it an ideal location for retail and business ventures.
