When [Dinesh Godara](#) and [Akshit Chaudhary](#) launched [BabyBillion](#) in December 2023, they had a singular goal: to become the world's leading YouTube channel for kids. From the outset, the founders set ambitious milestones:

- **December 2023:** Target to hit **1 Billion monthly views** by December 2024.
- **December 2024:** Surpassed the initial target, achieving **1.5 Billion monthly views** and becoming **India's #1 kids' channel** on YouTube.
- **December 2025:** Aiming to reach **10 Billion monthly views**

and secure the title of The World's #1 YouTube channel.

BabyBillion Team

Fast forward a year, BabyBillion has not only brought its first-year vision to life but has also surpassed all expectations. With a clear focus on data-driven content creation, high-quality production, and impactful storytelling. BabyBillion is redefining the landscape of children's entertainment.

Key achievements that set BabyBillion apart

- **Global Rankings:** In December 2024, BabyBillion was ranked **#7 globally** on YouTube, **#3 in India**, **#1 in the India Kids Category**, and **#2 in the worldwideKids' Content Category**.
- **Massive Milestones:**
- **8 Shorts** crossing 100M+ views each.

- **50 Shorts** crossing 10M+ views each.
- **1.5 Billion views** in **December 2024** alone.
- **5 Million** combined subscribers.
- **Impactful Brand Partnerships:** Achieved a staggering **25M views for Hamleys' Christmas campaign** in just 15 days. Now setting the benchmark with an unmatched promise: **100M views in 100 days**, delivering unparalleled reach for brands worldwide.

The Winning Formula: Vision, Data, and Quality

BabyBillion's success is rooted in a threefold approach:

Vision: To inspire the next generation and achieve **10 Billion monthly views by December 2025**, solidifying its position as the world's leading YouTube channel by monthly views.

Data – Driven Insights: By analyzing the top 10 YouTube channels worldwide, BabyBillion identified kids' content as a high-potential niche. This strategic insight enabled the team to craft engaging and scalable content tailored to this untapped market.

Unmatched Quality: With studios in **Bangalore** and **Mumbai**, BabyBillion employs a team of **25 professionals** and works with talented freelancers to ensure every video adheres to YouTube's high-quality principles. Their storytelling masters the art of teaching values through visually engaging and emotionally touching 40-50 seconds YouTube Shorts.

Why Kids Are Key Influencers

"Kids are the new decision-makers within families and significantly influence buying decisions," says **Akshit Chaudhary**. Recognizing this shift, BabyBillion has positioned itself as a trusted brand for both parents and children,

focusing on delivering content that is both entertaining and educational.

Expanding Horizons: 2025 and Beyond

BabyBillion's ambitious roadmap includes:

- **Global Reach:** Expanding multilingual content in 20+ languages to cater to diverse audiences worldwide.
- **Content Innovation:** Posting **two shorts daily** to maintain engagement and scale views.
- **World's Largest Kids Studio:** Plans to establish the **largest kids' content production studio** by December 2025.
- **Diversified Offerings:** Exploring new ventures, including **mobile apps, games, toys, and products.**

A Call for Talent and Collaboration

As BabyBillion scales to achieve its 10B monthly view goal, the company is actively hiring for roles such as:

- YouTube Strategist
