Gurpal Singh Chawla, Managing Director, TREVOC Group, commented on the recognition, *"These awards are a reflection of the trust we've earned and the standards we've set for ourselves. Our approach is rooted in clarity-well-planned developments, strategic locations, and homes that understand today's urban lifestyle. We are not here to follow trends; we are here to set benchmarks."*

Sehaj Chawla, Managing Director, TREVOC Group, added, *"This recognition underlines the intent behind TREVOC Royal Residences-to build something with long-term relevance. It's not about ticking boxes but about asking better questions: What does luxury mean in an evolving city like Gurugram How do we integrate that meaning into spaces people actually live in These awards affirm that we're moving in the right direction."*

Located in Sector 56, Golf Course Road, TREVOC Royal Residences is a 27-level high tower comprising 172 premium apartments. The project integrates strong architectural thinking with expansive views, a private clubhouse, and an elevated Skydeck that adds versatility to daily life.
