

Wizz Financial's Unimoni, Launches India's First AI-Powered Multi-Currency Card – "Wizz Voyager"

Category: Business

written by News Mall | October 14, 2025

Wizz Financial, a first truly global Indian fintech group, proudly announces the launch of the AI-enabled "Wizz Voyager" multi-currency card, in direct partnership with Visa, a global leader in digital payments marking a groundbreaking milestone in Indias travel and fintech landscape.

Designed for todays global citizens, the Wizz Voyager card allows seamless spending in 25 currencies, including 7 exclusive currencies – Chinese Yuan, Vietnamese Dong, Malaysian Ringgit, Philippine Peso, Indonesian Rupiah, Azerbaijani Manat, Georgian Lari – introduced for the first time in India, making it the most comprehensive multi-currency card in the country.

"The launch of Wizz Voyager, in direct partnership with Visa, marks a breakthrough in how Indian travellers spend abroad. As Indias first AI-powered multi-currency solution, it shows our commitment to practical, customer-first innovation with global impact and were proud to debut it here in India", said **Amir Nagammy, Founder & Group CEO – Wizz Financial**.

With advanced AI features, the Wizz Voyager card delivers personalized user experiences, optimizes currency conversion, and enhances travel convenience across destinations worldwide. The Wizz Voyager card delivers unprecedented travel convenience with free ATM withdrawals worldwide, complimentary travel insurance, global SIM connectivity, premium airport lounge access, and AI-driven currency optimization that

automatically secures the best exchange rates while rewarding loyal users with smart savings that grow over time.

With the Wizz Voyager card, Wizz Financial reinforces its position as a leading regional fintech, offering an integrated portfolio of cards & FX, cross-border payments, digital wallets, and secured lending solutions. The Group is focused on building an India-centric, seamless cross border ecosystem for today's globally connected traveller with a specific focus on high growth markets including the GCC and Southeast Asia.

About Wizz Financial Group

Wizz Financial is India-centric global fintech leader with 50+ licenses and operations across top corridors to India and South Asia, directly reaching 4.3 billion people – over 77% of global remittance volumes.
